LES AVENTURES DE TINTIN

TINTIN

AU PAYS DES

SOVIETS

En 1930 "Tintin au pays des soviets" était édité sous sa seule version connue à ce jour, c'est-à-dire en noir et blanc.

Les huit albums qui lui succédèrent parurent d'abord eux aussi sous cette forme avant d'être mis en couleur entre 1945 et 1955.

"Tintin au pays des soviets" était quant à lui sacrifié, Hergé ne le jugeant plus d'actualité ne le mis jamais en couleur.

La désintégration actuelle de l'URSS et des valeurs prônées par le communisme nous semble avoir redonné une nouvelle jeunesse à cet album.

Le désir irrésistible que nous avons de glisser ce livre introuvable à juste titre dans notre bibliothèque accompagné de l'enthousiasme de nos amis, nous a poussés à faire exister un album impossible.

Nous espérons que vous partagerez avec nous cet immense plaisir de lire enfin cette oeuvre en couleur.

C'est là notre but principal et nous avons travaillé dans le respect d'une oeuvre que nous admirons depuis des décennies et qui compte parmi les plus originales et les plus attachantes de ce siècle.

Vos dévoués

Paul-Henry LOMBARD Philippe-Alfred CASTELMAN
